PRODUCTS/SERVICES OFFERED

Superstorm Restoration's purpose is to teach and educate property owners about their property and the condition of it. They do this through a complete inspection of the exterior of a property. Once completed, they provide options for the property owners and give them solutions which include their roofing, siding, fascia, gutters, and more.

Saving customers hundreds if not thousands of dollars on every project they provide, Superstorm Restoration is simply different than the average construction company. What sets them apart is their approach to the customer – they are not there to “sell” property owners anything. They teach and educate their customers about their property while simultaneously bringing them significant value.

The idea behind Superstorm Restoration began in 2012 when a hail storm hit western Clive. 15 years into his construction career, owner Chandler Steffy was searching for a way to bring his acquired skills and knowledge to help property owners. Through many conversations, Chandler learned that property owners wanted to know how to keep their property in prime condition and know more about their property in general. Now, 6 years later, Superstorm Restoration is helping over 400 property owners at a time by teaching and educating them with solutions!

After 6 years of having their office in Clive, Superstorm Restoration was looking to become more active in the community, so they decided to join the Clive Chamber! Their first few years, they were simply establishing their business concept and bringing it to fruition. Since then, each year they have been making strides to network their business and become involved in the Clive community. “We are excited to continue this growth and potentially help the Clive community when a need arises,” owner Chandler Steffy says.

The Superstorm Restoration difference is one that is palpable. Come experience their fantastic customer service for yourself! To learn more, you can visit their website www.superstormrestoration.com.

Members on the (blog)Spot is a monthly feature of member businesses of the Clive Chamber of Commerce. If you are interested in having your business featured, contact kschmidt@clivechamber.org.
