Nothing Bundt Cakes is not your ordinary bakery. Specializing in "Bundt" cakes, they offer a variety of flavors and sizes including fun gift items to make your day! Their team is dedicated to assisting a wide range of customers looking for a unique way to exceed an event including celebrations of birthdays, weddings and holiday events. Nothing Bundt Cakes is proud to offer a variety of delicious treats, hoping their customers are happy with both the product and experience at the bakery.

To find the perfect recipe, you first need the perfect ingredients which is what the founders Dena Tripp and Debbie Shwetz were for each other. In 1997, they joined forces, or better yet kitchens, to help make cakes to entertain their friends and family. The cakes they made were delicious, unlike anything anyone had tasted. As a result, their friends and family asked them to entertain more and more. They quickly realized this side project of theirs could be something more. There was a gap in the world for delicious cakes, readily available, that didn't compromise on their ingredients. Real eggs, butter and cream cheese; nothing was too good to achieve perfection. And perfection are those cakes, with slow melting bites, we all know and love.

Nothing Bundt Cakes became a Chamber member in November 2017. Deciding to become a Clive Chamber member was an important step growing in this community for the bakery. Mitch Benes gladly stated Nothing Bundt Cakes wanted "to be a part of giving back to other local businesses", making Clive a stronger community all around.

Nothing Bundt Cakes takes great pride in their cake, made with the highest quality ingredients and are made in house daily! Striving to brighten the day of anyone who walks in the door, their staff is the first to assist in making your SWEET dreams come true. They are excited to see smiles on people's faces when they first try Bundt Cakes for the first time! To find out more about this tasty bakery visit www.nothingbundtcakes.com.
