- At Massage Envy Clive, we have 22 therapists and estheticians who
- strive to help you feel your best. Providing massage, stretch, and
- facial services, Massage Envy Clive strives to provide a customized
- experience for each and every client that books an appointment.
- The majority of clients that visit our professional clinic setting at
- Massage Envy seek weekly or monthly therapeutic massage and
- stretch sessions to remedy their every day and sports-related aches
- and pains. Many clients also seek general stress relief and relaxation.
- The facial clients are those of all ages seeking to improve the overall
- health and appearance of their skin, as well as treatment of intense
- skin concerns. "All clients have different needs, and we fulfill those,"
- writes business owner Mike Earp. "We are fortunate to be
- recommended by many health care providers."
-
- Massage Envy opened their Clive clinic 15 years ago. It is just one
- clinic of the 1,150 Massage Envy clinics in the United States. They are
- part of the largest massage and facial service offering in the country.
- The brand started by "helping people feel their best," and they are
- still striving to do this today.
-
- Massage Envy Clive became a member of the Clive Chamber of
- Commerce in September of 2020. "I was a 20-year member of a local
- chamber in the town that housed my business that I retired from 5
- years ago," recalls business owner Mike Earp. Now that his business is
- located in Clive, Earp believes Massage Envy's involvement in the
- Clive community and the Clive Chamber of Commerce is extremely
- important. "The Chamber of Commerce gives us a platform to not
- only boost our footprint, but also help other businesses in the area
- grow and serve the community," he states.
-
- "My favorite part of this business is watching, learning, and engaging
- with the 28 amazing members of our team," writes Earp. "They are so
- proud of what they do every day, and are so good at helping,
- healing, enhancing our clients' and each other's lives." To
- experience all that Massage Envy Clive has to offer, get in touch with
- them to book an appointment, or simply learn more about the
- business, call 515-225-3689, email clinic0112@massageenvy.com, or
