Kelli said, "sometimes you win and sometimes you learn," and all of her roles and experiences have been valuable on her journey leading her to her "dream job" as an insurance agent!

• In the Summer of 2021, Kelli met with Clive Chamber Executive Director Kristy Schmidt over coffee and joined the Chamber shortly after! In her short time as a member, she has received an amazing welcome from the "small, but mighty" chamber and says it was the "BEST DECISION EVER" to join. The close group has made her feel like she has been a member for years! She loves meeting new people and working with local small businesses.

• Helping people is what makes Kelli the happiest! With her various roles and experiences within the industry, she is able to identify talent, hire, train and develop a sales and service team to "spread the good" while offering service, solutions, and giving back to the people in the community!
