- The YMCA of Greater Des Moines was established in 1868, and is the leading non-profit committed to strengthening the community by connecting people to their potential, purpose, and each other. With seven locations, the YMCA of Greater Des Moines provides spaces to play, to learn, to be healthy, to eat well and to give back. No matter where you are on your journey, the Y is where you want to be, belong, and become.
- The Walnut Creek Family YMCA opened in 1980 to serve the emerging needs of the western suburbs. Here the community comes together for programs that enhance peoples' lives through health and fitness. They also reach out beyond their four walls to offer new, innovative programs at local elementary schools including a "Recess With the Y" program at Crestview School of Inquiry in Clive.
- Preschoolers, youth, adults, families and seniors can all enjoy the many impactful programs at the Y. There is something for everyone to enjoy with their many fitness classes, swimming programs, youth and teen sports, and other recreation activities. They also offer childcare and summer and youth camps. It's important to the Y to provide resources to address the most pressing social issues in our community. Fatherhood classes, summer learning loss prevention and supportive housing campus are just a couples of ways the Y is making a difference.
- "We are dedicated to building healthy, confident, connected and secure youth, adults, families and seniors through our core values of Caring, Honesty, Responsibility and Respect," says Walnut Creek Family YMCA Executive Director, Greg Voss.
- The Walnut Creek Family YMCA has been a proud Clive Chamber member for the last 5 years. Their staff and Advisory Board believe in community involvement and engagement and fully support the mission of the Chamber. They look forward to opportunities to enhance the community through increased participation in the future!
