Whether you are a traveler looking for a clean and friendly place to stop for a night or someone looking for a fun, adventurous place to have a staycation with your family, Stoney Creek is the location for you. The hotel has Bearly's Bar on-site where guests can stop in for a local beer and you won't want to miss the expansive heated indoor/outdoor pool.

Stoney Creek's Conference Center is perfect for your next board meeting, seminar, private dining event, gala or wedding. They know details matter and stay a step ahead, making planning easy and stress-free.

Founded in 1994, entrepreneur Jim Thompson began with a vision of a lodging experience that exemplified that 'cabin by the lake' feel with eclectic guest rooms and modern amenities for an active, adventurous lifestyle. Stoney Creek Inn and Stoney Creek Hotels and Conference Centers were built out of a love for travel and a passion for genuine hospitality.

Stoney Creek recently became a member of the Clive Chamber. They have a fresh team who enjoys the connection with other chambers and wants to extend their reach and strengthen ties to the greater community.

Emily Hyde, Sale Coordinator at Stoney Creek shares, "Stoney Creek is a family-owned business that prioritizes connection and service. When you enter our hotel, we want you to feel welcomed. Like a warm hug personified."

At Stoney Creek, they understand that it takes more than amenities to make a great experience. With their commitment to passionate genuine hospitality, they ensure your stay is distinct, enjoyable, and memorable. Stoney Creek offers more than just a bed to sleep in.
