Eileen's Colossal Cookies began in the home of Eileen Harmon in Hastings, Nebraska in April of 1982 and today has 28 franchise locations. In 2020, Ashlee Goodrich opened the Windsor Heights location fulfilling her dream of owning her own business.

At Eileen's Colossal Cookies they bake more than just delicious treats their customers love to eat. They bake memories, celebrations, messages of encouragement, and so much more! Whether you need treats for school event, a cookie cake for a celebration or a cookie platter for the office, Eileen's Colossal Cookies should be your first stop. With cookies available in several different sizes and 13 flavors, they have you covered. Need a last-minute order? Don't worry they specialize in short-notice orders and welcome your call.

As a locally owned small business, Ashlee focuses on giving the best customer service and providing wonderful products. She makes it a priority to keep her prices low so everyone can enjoy their delicious cookies. Allowing her customers to purchase a special gift and still have the budget to get themselves a treat too!

"My favorite part of Eileen's Cookies Windsor Heights is serving our customers and seeing their faces when they see our creations," says Ashlee. "I love that they can come in and purchase what they need and often are surprised at the reasonable prices."

Eileen's Colossal Cookies joined the Clive Chamber in this year because Ashlee loved the possibility of being connected to so many wonderful businesses around the metro. Her goal is to get the Eileen's name in the door of many offices and create lifelong partnerships. Ashlee jumped into getting involved by donating her beautifully decorated cookies at our September Membership Luncheon.

If you have a special occasion coming up or just want to support a small business who makes a difference in the community visit Eileen's Colossal Cookies at 7222 University Avenue, Windsor Heights.
