Gilroy's opened their doors in April of 2016, filling the need for a neighborhood restaurant in the 8th Street area of West Des Moines. Gilroy's is a Gaelic name which means "son of a red head" and celebrates the uniqueness that is to be a redhead. They incorporate the awesomeness of being a ginger within their stylish American comfort food and beverages served for lunch, dinner, and weekend brunch. Even though redheads receive extra special treatment, all hair colors found under the sun are welcome!

In December of 2022, Gilroy's proudly became a member of the Clive Chamber of Commerce after meeting with Membership Coordinator Edye Beckerman. "We're all about building relationships and look forward to doing this with the Clive Chamber," states owner Carl Wertzberger.

Gilroy's team members are passionate about providing a unique dining experience and are eager to serve you whether you dine-in, carry-out or use their convenient curbside pick-up. Empowerment, teamwork, and pride are core philosophies at Gilroy's. They enjoy offering professional service that leads to personal relationships with guests that keeps them coming back time and time again!
