vivid Mobile IV makes scheduling vitamin infusions and Botox easy by offering treatments in the convenience of your home, office, or at their Wellness Lounge in Clive. Their advanced therapies of ozone and hormone replacement are also available at the Clive location and this fall after the completion of their expansion, they'll be able to offer a 'full service' wellness approach by adding a hyperbaric chamber, sauna, red light, cold plunge, lymphatic drainage, athletic recovery, and additional aesthetic services. vivid Mobile IV is proud to serve all ages, working with children, men, and women to reduce sickness and chronic infections and to improve athletic recovery and overall wellness.

Their main goal is to make sure their clients feel comfortable, valued, and as though they have a new friend by the end of their appointment. Owner Amanda Kramme states, "Our clients are the best part. Especially when we hear how we have been able to impact their lives in one way or another."

In June of 2022 vivid Mobile IV opened their 'mobile' doors and grew the business by opening the Wellness Lounge in Clive in March of this year. Amanda Kramme is a Registered Nurse with 12 years of experience, with 11 years as a labor and delivery nurse. Her experience and passion for helping people led her to research and discover more functional and alternative medical treatments and services, thus working to receive a functional medicine certificate and opening vivid Mobile IV. Amanda has worked to find and hire the best for her business. Her amazing team of nurses and nurse practitioners have over 300 years of experience combined and continue to educate themselves to better serve their patients.

vivid Mobile IV became a member of the Clive Chamber just a few months ago in May! They enjoy being able to meet others in the community and support and promote other businesses anytime they can. They are very excited to be able to get more involved in the chamber and attend more events.

No matter who you have the pleasure of meeting, you're guaranteed to be welcomed with a warm smile at vivid Mobile IV! Want to learn more or book an appointment? Visit their website at vividlifespaspa.com/mobile-iv, email mobile@vividlifespaspa.com or call at 515-771-0555.
