Members on the (Blog)Spot is a monthly feature of member businesses of the Clive Chamber of Commerce. If you are interested in having your business featured, contact kschmidt@clivechamber.org.

Walter Roofing + Solar is Iowa's premier Storm Damage Specialist! Whether you're a homeowner, commercial property owner, or real estate investor with a roof located in Iowa or Nebraska, they have you covered. In 2023, they were honored as the first construction company in Iowa to receive the Iowa Character Counts Award from the Robert D Ray Center at Drake University. And, have also been nominated for best local roofer in Des Moines for two years in a row by CITYVIEW Magazine.

Jesse Rittenhouse and Shelease Vashay-Rittenhouse opened Walter Roofing + Solar in 2020 following many years in the roofing industry. To celebrate their pit bull Walter, a beloved family member and one of the sweetest dogs they could have ever asked for, they named the business after him. After just three short years the business has grown from a six-man roofing crew to 20 team members, four roofing crews, and a new branch opening in Nebraska in early 2024. Owner Jesse Rittenhouse credits their success to the practice of hiring based on their Core Values of Win/Win, Impact, Faith, and Integrity (W.I.F.I.). Team members exemplify these traits daily in everything they do.

After being recognized by the Clive City Council and Mayor Edwards for receiving the Iowa Character Counts Award, Walter Roofing + Solar joined the Clive Chamber. With their main office being located in Clive, Chamber membership provides the opportunity to get more involved in the community. Team members have already made impactful connections with so many other members from attending networking events and ribbon cuttings and appreciate how welcoming everyone has been.

Has your roof experienced high wind or hail damage in the past 12 months? Walter Roofing + Solar is here to offer a free inspection! To learn more or request a quote call (515)-343-6955, email info@walterbuilds.com, or visit their website walterbuilds.com.
