• Founded 19 years ago through the collaborative efforts of local churches, Waukee Area Christian Services (WACS) emerged to address pressing community needs. This nonprofit organization operates through the generous support of individuals, businesses, foundations, faith communities, and other organizations. WACS serves as a vital resource, extending assistance to neighbors facing various challenges. Their offerings include provisions such as supplemental food, clothing, basic healthcare, housing and school essentials, emergency financial aid, and guidance in accessing additional community services. WACS welcomes anyone grappling with economic hardship, serving individuals across Dallas County and beyond.

• Joining the Chamber in 2023, WACS aligned with the Clive Chamber to better serve residents within the Clive Community. Since then, they've been immensely grateful for the support garnered through their membership, which includes donations, grants, and volunteer efforts. With a vision to enhance awareness of their services among potential clients, volunteers, and donors, WACS is steadfast in its mission.

• Being with WACS from the beginning, Melissa Stimple, the Executive Director, has experienced the profound impact of assisting families and individuals during challenging times on a daily basis. She underscores how important it is to offer a welcoming environment, where every individual is treated with dignity and respect. The organization offers a supportive hand to those in need, recognizing that most seek empowerment rather than mere assistance. A typical client who accesses their services is employed, but encounters a temporary crisis, such as a medical emergency, necessitating short-term support.

• Whether through volunteering, donating, or spreading the word, you can make a difference at Waukee Area Christian Services. Reach out to them via email at Hello@WaukeeChristianServices.org, visit their website at WaukeeChristianServices.org, or contact them directly at 515-987-5523 to learn more about how you can get involved.
